<https://hospital.uillinois.edu/patients-and-visitors/mile-square-federally-qualified-health-center/patient-information>

Mile Square Health Center provides healthcare services *for* patients at a variety of life stages. Much of what we do is primary care, which means we offer continuous, essential day-to-day healthcare for our patients concerning acute and chronic physical, mental and social health issues. We also provide appropriate referrals when needed. Hours: Mondays 8:00am-6:00pm, Tuesdays 9:30-6:00pm, Wednesday-Friday 8:00am-6:00pm  
Accepts Private insurances including Medicare and Medicaid. Sliding scale fees may be available.

- **Office of Applied Psychological Services (OAPS)**

1107 W Harrison room

3011A 312-996-2540

<https://psch.uic.edu/research-programs/clinical/office-of-applied-psychological-services/>

*The Office of Applied Psychological Services /OAPS} is a mental health clinic in the Psychology Department at the University of Illinois at Chicago (UIC). We offer therapy and psychological assessment using approaches that are based on scientific theory and supported by scientific evidence, with an emphasis on cognitive behavioral therapy (CBT) techniques. OAPS serves the UIC community, including faculty, staff, and students, as well as people living or working in the greater Chicago area.*

**Hours:** Monday-Thursday 9:00am-5:00pm, Friday's 9:00am-3:00pm

Sliding scale fees available for therapy and psychological testing services.
